

Mt. Hood Rally

Driver's Bulletin #3

Purpose: Since we have only had two cars express an interest in registering and teching in Portland, we are eliminating that option. The purpose of this bulletin is to modify the event supplementals to reflect that change.

While the overriding philosophy and goal of the organizers is to provide great customer service to the competitors and to keep costs to a minimum, the needed resources and effort to provide the Portland location stops making sense with just two cars.

If this change creates an undue hardship for your team please contact the event chairman at leveys@aol.com. We want to work with you to make this work.

This Bulletin modifies the first paragraph in Section 2 of the supplementals. This paragraph had been previously modified by Driver's Bulletin #1.

Replace the first paragraph in Section 2 with the following.

Registration and Scrutineering:

Registration and Scrutineering will take place October 20th between 6:00pm and 8:00pm. Unlicensed competitors and competitors holding a Novice license must attend registration and scrutineering between 6:00pm and 7:00pm at Les Schwab tire center in Hood River. Other competitors can register and have their vehicles scrutineered from 7:00pm to 8:00pm in Hood River (and on a space available basis between 6:00pm and 7:00pm.)
